1961 5 Dinars Fr.-1 Extremely Rare. Value in Arabic in center of circle/Rev.: Dhow sailing left. This is the only specimen we have ever seen or have ever heard of changing hands, and probably the only collectable specimen available in the world today! There were reportedly 1,000 pcs. struck but to the best of our knowledge none were ever released. Ours is most likely a specimen striking for presentation purposes, Gem BU and of course missing from every major gold collection in the world. It is hard to put a price on a so far "unique" item, but we think this coin is priced fairly for such a rarity	9,500.00

GOLD COINS OF THE WORLD

BOOKS ON WORLD GOLD

"European Gold Coins Guide Book" by Schlumberger. New edition in English giving a comprehensive listing of all European gold coins since 1800, including large section on Turkey. Gives mintage figures where known, etc. Retail price \$15. Our price. Special 12.95

BULLION COINS

We quote daily prices on all bullion-type coins such as the Kruggerand, Austria 100 Corona, Mexico 50 Pesos, British Sovereigns, Russia Chervonetz, etc. Lots of 10 or more only per item. Call for quotes. (No collect calls accepted).

BUYING WORLD GOLD

Yes, we are also looking to buy nice quality world gold singles and entire collections. If you have something to offer us, please give us a call or send a list showing what you have available, and approximate prices you need and we will try and get together with you.

WANT LIST SERVICE

We specialize in locating that hard to find gold coin - send us your want list and we will do our best to help you find it — we are connected via Telex to all the overseas banks and dealers throughout the world and will use all of these world-wide connections to help locate the gold coins you need.

CALL TO RESERVE YOUR ORDER

Many of the items on this list are one-of-a-kind and quickly sold out. We suggest you order early to avoid disappointment. We do not like to send "sold-out" slips, and we know you don't like to get them! We suggest you call us to reserve your order — 1-305-781-3455. (No collect calls accepted)

GOLD COINS OF THE WORLD INVESTMENT COLLECTION PLAN

We have been asked many times if we have a set plan of investment such as is advertised by many of the U.S.A. coin series dealers. Although we do not have a rigid set of investment plans for world gold, we are happy to design a custom-tailored plan to fit your needs. If you would like to discuss this in more detail give us a call or write us and let us know what you have in mind and we will try and work out something to fit your individual needs.

APPROVAL SERVICE

Approval shipments are available to clients known to us, or furnishing suitable references such as coin dealers you have dealt with, auction companies, etc.

LAY-A-WAY PLAN

We accept lay-a-way purchases. Our usual plan is: 1/3 deposit with order, 1/3 in 30 days, and final 1/3 in 60 days, total amount to be paid in full within 60 days of initial order. No interest charges, of course. In certain circumstances, depending on the size and type of order, we can arrange other payment schedules ranging from 30-180 days. Let us know exactly what you have in mind and we will try and work something out which is agreeable to both parties. All coins are set aside when your order and deposit are received — they are held in our bank vault in your name, to be shipped upon final payment. PLEASE NOTE: All lay-a-way sales are final! No matter how much prices may go up, we are legally obligated to deliver the coins to you on final payment. By the same token, you are obligated to complete the transaction even if prices go down in the meantime. We will be happy to make adjustments for unsatisfactory coins, etc., but we cannot allow you to cancel your lay-a-way orders just because prices have gone down, or you change your mind, etc.

Conditions of Sale and Company Policy

1. All coins are guaranteed genuine — satisfaction guaranteed or return within 7 days for a full cash refund.
2. Money orders and bank cashier's checks get preference and the fastest service. Personal checks are OK but allow approximately two weeks for the check to clear before we can ship the coins.
3. Florida residents must add the 4 percent state sales tax to their order.
4. Most items are one-of-a-kind on this list, so whenever possible please list a second or third choice in case your first item has already been sold — we will always fill your first choice whenever possible.
5. If you are ordering a coin for the type — not for a particular year — let us know so in case the date you order has already been sold we can substitute another date but the same type — and same quality as the one you ordered.
6. **IMPORTANT FOR OVERSEAS BUYERS!** We can not get any insurance on overseas shipments. You must arrange for your own insurance or you must assume full responsibility for loss in case of non-delivery. Overseas buyers can send us their order and we will send a pro-forma invoice. All overseas payments must be in the form of a bank draft drawn on a U.S.A. bank and payable in U.S. dollars.
7. We ship all orders via airmail registered mail fully insured in the United States. All orders under \$200 please add a couple of dollars for the postage insurance handling of your order. All orders over \$200 we pay all postage and insurance costs.
8. **ALL COINS ARE KEPT IN BANK VAULTS.** — an appointment can be arranged to view particular coins at our bank between the hours of 9 a.m. and 2 p.m. Monday through Friday.

GOLD COINS OF THE WORLD

BOOKS ON WORLD GOLD

"Gold Coins of the World" by Friedberg. Brand new 4th edition. The "Fr.-#s" in this list refer to this book. As well as the references to "catalog values", etc. This is the "Bible" to all world gold collectors and a must for your numismatic library. . . . 22.50

"European Gold Coins Guide Book" by Schlumberger. New edition in English giving a comprehensive listing of all European gold coins since 1800, including large section on Turkey. Gives mintage figures where known, etc. . . . 15.00

BULLION COINS

We quote daily prices on all bullion-type coins such as the Krugerrand, Austria 100 Corona, Mexico 50 Pesos, British Sovereigns, Russia Chervonetz, etc. Lots of 10 or more only per item. Call for quotes.

BUYING WORLD GOLD

Yes, we are also looking to buy nice quality world gold singles and entire collections. If you have something to offer us, please give us a call or send a list showing what you have available, and approximate prices you need and we will try and get together with you.

WANT LIST SERVICE

We specialize in locating that hard to find gold coin - send us your want list and we will do our best to help you find it — we are connected via Telex to all the overseas banks and dealers throughout the world and will use all of these world-wide connections to help locate the gold coins you need.

CALL TO RESERVE YOUR ORDER

Many of the items on this list are one-of-a-kind and quickly sold out. We suggest you order early to avoid disappointment. We do not like to send "sold-out" slips, and we know you don't like to get them! We suggest you call us to reserve your order — 1-305-781-3455.

GOLD COINS OF THE WORLD INVESTMENT COLLECTION PLAN

We have been asked many times if we have a set plan of investment such as is advertised by many of the U.S.A. coin series dealers. Although we do not have a rigid set of investment plans for world gold, we are happy to design a custom-tailored plan to fit your needs. If you would like to discuss this in more detail give us a call or write us and let us know what you have in mind and we will try and work out something to fit your individual needs.

APPROVAL SERVICE

Approval shipments are available to clients known to us, or furnishing suitable references such as coin dealers you have dealt with, auction companies, etc.

LAY-A-WAY PLAN

We accept lay-a-way purchases. Our usual plan is: 1/3 deposit with order, 1/3 in 30 days, and final 1/3 in 60 days, total amount to be paid in full within 60 days of initial order. No interest charges, of course. In certain circumstances, depending on the size and type of order, we can arrange other payment schedules ranging from 30-180 days. Let us know exactly what you have in mind and we will try and work something out which is agreeable to both parties.

All coins are set aside when your order and deposit are received — they are held in our bank vault in your name, to be shipped upon final payment.

PLEASE NOTE: All lay-a-way sales are final! No matter how much prices may go up, we are legally obligated to deliver the coins to you on final payment. By the same token, you are obligated to complete the transaction even if prices go down in the meantime. We will be happy to make adjustments for unsatisfactory coins, etc., but we cannot allow you to cancel your lay-a-way orders just because prices have gone down, or you change your mind, etc.

Conditions of Sale and Company Policy

1. All coins are guaranteed genuine — satisfaction guaranteed or return within 7 days for a full cash refund.
2. Money orders and bank cashier's checks get preference and the fastest service. Personal checks are OK but allow approximately two weeks for the check to clear before we can ship the coins.
3. Florida residents must add the 4 percent state sales tax to their order.
4. Most items are one-of-a-kind on this list, so whenever possible please list a second or third choice in case your first item has already been sold — we will always fill your first choice whenever possible.
5. If you are ordering a coin for the type — not for a particular year — let us know so in case the date you order has already been sold we can substitute another date but the same type — and same quality as the one you ordered.
6. **IMPORTANT FOR OVERSEAS BUYERS!** We can not get any insurance on overseas shipments. You must arrange for your own insurance or you must assume full responsibility for loss in case of non-delivery. Overseas buyers can send us their order and we will send a pro-forma invoice. All overseas payments must be in the form of a bank draft drawn on a U.S.A. bank and payable in U.S. dollars.
7. **ALL ORDERS SHIPPED POSTPAID VIA REGISTERED, FULLY INSURED MAIL ANYWHERE IN THE U.S.A.**
8. **ALL COINS ARE KEPT IN BANK VAULTS.** — an appointment can be arranged to view particular coins at our bank between the hours of 9 a.m. and 2 p.m. Monday through Friday.
